

WHAT: BRH BOARD OF EDUCATION INVITES YOU TO ATTEND A COMMUNITY CONVERSATION

WHEN: JULY 10, 2018 AT 7:00 P.M.

WHERE: SCHOOL CAFETERIA

The Bark River-Harris School District recently was awarded a grant for \$3.9 million dollars spread-out over 23 years from the Hannahville Indian Community. The district is actively seeking input as how to best invest these funds. ****Key question the board seeks input to**:**

- Should the district extend the life of the current millage to maximize the full potential of the \$3.9 million dollar grant? This will not result in an increase to annual taxes – only extends the length of the debt.
- For questions or concerns, please contact:
